Dear Fred:

In response to your telephone request that we expedite the review of Galley 425-426 TIL, Memorandum from the Subgroup on Technical Cooperation to the Combined Policy Committee, 12 December 1947, I am pleased to state that CIA has no objection to the declassification and publication of this document in Foreign Relations.

We are passing this information to the AEC, which first brought our attention to the item, and are informing them also that the declassification review of Galleys 233-335 TAT is continuing.

Sincerely yours

Bernard Drell
CIA Historian
